Introduction

John Lewis built-in cooking, refrigeration and washing appliances are specifically designed to fit with your kitchen units and surfaces. They incorporate the latest engineering features and systems, backed by our reputation for reliable quality and outstanding value.

New introductions for 2009/10 include microwaves, dual-fuel cookers and ceramic hobs, while many of our existing models have been upgraded with enhanced features and the latest styling.

Our store staff will be pleased to discuss with you any appliance or feature, so you can see just how well the design and performance of these machines will suit your lifestyle. All appliances come with a free three-year guarantee and are backed by our very special reputation for service and value.

John Lewis also offers a comprehensive fitted kitchen service, with a wide range of distinctive styles and high-quality materials, supported by excellent planning and fitting.

**John Lewis
electric single oven**
JLBIOS 607
Stock number 890 30204

£349

Free 3 year guarantee
Extend to 5 years for £35

This anti-fingerprint stainless-steel oven features an easy-to-clean removable double glazed door with retractable controls, giving a flush finish.

The fan oven reduces both temperature and cooking times by 20%. It ensures even cooking on all shelves and seals food more quickly allowing different dishes to be cooked at the same time without flavour crossover. Fan defrosting cuts normal defrosting times by 50%.

Dimensions H59.4 W59.4 D56.7cm
Minimum opening H59 W56 D55cm
Capacity 50 litres
Energy rating A

Features

Fan cooking and defrosting
Fan grilling for a spit roast effect
Full width grilling
Retracting control knobs for
easy-to-clean fascia
LED digital clock timer and
auto-programmer
Quality enamel lining for
easier cleaning

**John Lewis
electric multi-function single oven**
JLBIOS 608
Stock number 890 30205

£449

Free 3 year guarantee
Extend to 5 years for £35

This high quality anti-fingerprint stainless-steel oven has an easy-to-clean removable triple glazed oven door with electronic touch control front fascia.

Fan cooking ensures even cooking on all shelves. Food is quickly sealed allowing different foods to be cooked at the same time without flavour crossover. Temperature and cooking times are both reduced by 20% and fan defrosting cuts normal defrosting times by 50%. Also, low temperature cooking and a keep warm facility are featured.

There is an electronic programmer for ease of use which also offers child safety features. For total peace of mind, when the oven is left on for too long it automatically switches off.

Dimensions H59.4 W59.4 D56.7cm
Minimum opening H59 W56 D55cm
Capacity 50 litres
Energy rating A

Features

Fan cooking and defrosting
Fan grilling for a spit roast effect
Full and half width grilling
Conventional cooking for one-shelf
traditional baking
Top heat only for top finishing foods
Bottom heat only for bottom
finishing foods
Pizza setting – high heat bottom
and low heat top
Fast pre-heat function
Keep warm 80°C setting – to keep
food warm without drying it out

Push button electronic controls for
easy-to-clean fascia
LED digital clock timer and
auto-programmer
Catalytic lining self-cleaning
at high temperatures (200°C)
2 telescopic shelves

**John Lewis
electric Pyrolytic
multi-function single oven**
JLBIOS 609
Stock number 890 30206

£549

Free 3 year guarantee
Extend to 5 years for £35

This oven features the Pyrolytic self-cleaning system, which burns off interior grime to a dust that is easily swept out of the oven. A quadruple-glazed door keeps the surface cool and safe to touch.

The fan cooking gives even results on all shelves. Food is quickly sealed, and different dishes can be cooked at the same time without flavour crossover. Temperatures and cooking times are both reduced by 20%, while fan defrosting cuts normal times by 50%.

It has a full width, dual-circuit grill for large quantities, and half width, single-circuit grill for smaller quantities.

Dimensions H59.4 W59.4 D56.7cm
Minimum opening H59 W56 D55cm
Capacity 50 litres
Energy rating A

Features

Fan cooking and defrosting
Fan grilling for a spit roast effect
Full and half width grilling
Conventional cooking for one-shelf traditional baking
Top heat and bottom heat only settings
Pizza setting – high heat bottom, low heat top
Fast pre-heat function

Push button electronic controls for easy-to-clean fascia
Pyrolytic cleaning
Quadruple glazed door
24-hour LED clock, minute minder and digital timer to turn the oven on and off automatically
2 telescopic shelves

**John Lewis
electric double oven**
JLBIDO 913
Stock number 890 40206

£699

Free 3 year guarantee
Extend to 5 years for £60

Double ovens are ideal for all types of dishes and meals. The main oven has fan cooking for even results on all shelves. Food is quickly sealed, and different dishes can be cooked at the same time without flavour crossover. Temperatures and cooking times are both reduced by 20%, while fan defrosting cuts normal times by 50%. It has a full width dual-circuit grill for large quantities, and half width single-circuit grill for smaller quantities.

The second oven provides extra capacity when entertaining and greater economy for smaller dishes. You can turn the fan off for conventional cooking, ideal for traditional baking. It has a full width, dual-circuit grill and half width, single-circuit grill.

Dimensions H88.8 W59.4 D54.8cm
Minimum opening H87.5 W56 D55cm

**John Lewis
compact oven and microwave**
JLBIC 02
Stock number 890 90202

£599

Free 3 year guarantee
Extend to 5 years for £35

This versatile John Lewis touch control microwave/grill/convection oven defrosts, cooks, and cooks from frozen automatically – just select the food type and weight and it calculates correct timings and power levels. There are five microwave power levels to give great results. The fan microwave setting not only browns the food but does it in half the normal cooking time.

Dimensions H45.5 W59.4 D54.2cm
Minimum opening H45 W56 D55cm
Net capacity 32 litres

Features

Touch controls
1000W microwave with 5 power levels
Fan with microwave/grill/convection/
microwave and grill/microwave and
convection
1500W grill

Reheat function
Defrost mode
Integrated glass turntable/glass baking
tray/grill rack

LED display for function and timing
12- or 24-hour digital timer and
minute minder
Stainless steel cavity

**John Lewis
multi-function oven with steam**
JLBIOS 610
Stock number 890 60101

£699

Free 3 year guarantee
Extend to 5 years for £35

This full-size oven combines traditional cooking with the benefits of steam. Cooking with a combination of steam and conventional heat retains all the flavours and nutrients in the food (reducing the need for fat and salt) with the ability to give golden crispy results.

The oven has fan operated cooking that circulates hot air evenly, giving consistent results whichever shelf is used. It also seals food quickly, so even sweet and savoury dishes can be cooked together without flavour crossover. The fan saves energy, reducing temperature settings and cooking times by 20%. Normal defrosting times are also cut by 50%. The oven has a full width dual-circuit grill for large quantities, and a half width single-circuit grill for smaller quantities.

A temperature probe allows you to measure whether a joint is ready without even opening the door. It takes the guess work out of meat cooking and is ideal for joints. It also has programmable recipes with weight sensor programmes to give you perfect cooking results.

Dimensions H59.4 W59.2 D56.7cm
Minimum opening H59 W56 D55cm
Net capacity 50 litres
Energy rating A

Features

3 different steam and cooking combinations
Fan cooking and defrosting
Fan grilling for spit roast effect
Full and half width grilling
Conventional cooking for one-shelf traditional baking
Top and bottom heat only settings
Meat probe programmes
Automatic weight programmes
Programmable recipes

Touch controls
LCD fully electronic display with interactive cooking symbols
24-hr electronic clock with fully programmable timer to turn your oven on and off
Triple glazed door

**John Lewis
microwave oven**
JLF5MWS 001
Stock number 866 90201

£139

Free 3 year guarantee
Extend to 5 years for £45

This versatile and easy-to-use microwave oven has a good family-sized capacity. With six power levels, it gives you great cooking results with minimum effort. There are 11 auto-weight programmes that calculate how best to cook the food, automatically selecting the correct cooking time. All you have to do is enter the weight of the food and the oven does the rest.

The oven's safety features include a child lock. Among the accessories is a wire rack.

Dimensions H30.4 W51 D38cm
Minimum opening H21.7 W35.9 D35.2cm
Net capacity 27 litres

Features

900W microwave with 7 power levels
Easy-clean stainless-steel lining
Quick reheat
Auto weight reheat and cook
Quick defrost technology
Auto guide
Child lock

Accessories include wire rack

**John Lewis
grill microwave oven**
JLF5MWG 002
Stock number 866 90202

£159

Free 3 year guarantee
Extend to 5 years for £45

This machine gives you all the speed and convenience of a microwave cooking with the added versatility of browning, crisping or toasting from a powerful quartz grill. The microwave has seven power levels and is easy to use with auto-sensor programmes that calculate the cooking time for you. The quartz grill will quickly brown and cook all traditionally grilled foods like a conventional grill. It has three variable settings – High, Medium and Low – to suit any type of food.

The oven's safety features include a child lock. Among the accessories are a wire rack and crisp pan.

Dimensions H30.4 W51 D38cm
Minimum opening H21.7 W35.9 D35.2cm
Net capacity 27 litres

Features

900W microwave with 7 power levels
1300W quartz grill – 3 settings
Easy-clean stainless-steel lining
Quick reheat
Auto weight cook and re-heat
Quick defrost technology
Auto guide
Child lock

Accessories include wire rack
and crisp pan

**John Lewis
combination microwave oven**
JLF5MWC 003
Stock number 866 90203

£259

Free 3 year guarantee
Extend to 5 years for £45

This versatile, family-size combination microwave oven gives you all the efficiency of microwave cooking with traditional browning and roasting provided by a fan-assisted convection oven and grill. It is easy and convenient to use with eight auto-sensor programmes that calculate the cooking time for you. There is no need to enter the power, time or weight – you just select the food and press start.

The oven's safety features include a child lock, and it is easy to clean with its enamel lining and catalytic roof. Among the accessories are a wire rack, enamel tray, shelves and splatter shield.

Dimensions H34.4 W53 D50.8cm
Minimum opening H25 W35 D36cm
Net capacity 32 litres

Features

1000W microwave with 6 power levels
Fan assisted convection oven
(40°C, 100-250°C)
1500W radiant grill - 3 settings
Easy-clean enamel lining with
catalytic roof
2-shelf convection cooking
Auto sensor reheat and cook
Auto weight cook and re-heat
Quick bake
Quick defrost
Quick reheat
Auto guide
Child lock

Accessories include wire rack, enamel
tray, shelves and splatter shield

**John Lewis
integrated dishwasher**
JLBIDW 1200
Stock number 887 00201

£549

Free 3 year guarantee
Extend to 5 years for £60

With its pull-down door attached to the kitchen furniture door, this dishwasher is completely concealed. It shines a red spotlight on the floor when in operation and sounds an alarm when finished.

The wash performance is 'A' rated, with a very quiet action. There is a choice of five wash programmes, from 'quick wash' to the 70°C 'intensive' programme to deal with stubborn dirt. The 'auto' programme judges the load and soiling, and sets the right combination of temperature and time for the best wash results.

Controls are positioned on the top edge of the door. At the push of a button, all programmes can be adapted to multi-detergent tabs, ensuring the best performance whatever powder or tablets you use. An active drying system gives fast, effective drying; no steam escapes into your kitchen.

Dimensions H81.8 W59.6 D55.5cm
Minimum opening H82 W60 D60cm

Features

Wash rating	A
Energy rating	A
Drying rating	A
Noise	47dB (A)
Water consumption	12 litres

Five programmes:

Auto
Economy
Quick wash
Intensive wash
Rinse and hold

Water sensor
Multitab detergent option
Active drying
Adjustable and folding basket
Cutlery basket

In-progress floor spotlight
End of operation alarm

**John Lewis
integrated slim-line dishwasher**
JLBIDW 901
Stock number 887 10201

£499

Free 3 year guarantee
Extend to 5 years for £60

Designed for kitchens with limited space, this is a full-function, slim-line dishwasher for nine place settings. The machine is fully integrated behind a furniture door and the controls are positioned at the top of the door for easy access. It shines a red spotlight on the floor when in operation and sounds an alarm when finished.

The 'triple A' rating gives the best energy, washing and drying results available. There are five wash programmes including 'automatic' which senses the size and soiling of the wash load and sets the time, water and temperature levels accordingly.

The 'multitab' option ensures perfect wash results whether you use 3-in-1, 4-in-1, or 5-in-1 detergents. You can delay the start of any programme for up to 19 hours to run at the most a convenient time. An active drying system gives fast, effective drying; no steam escapes into your kitchen.

Dimensions H81.8-87.8 W44.6
D55.5cm
Minimum opening H82 W45 D60cm

Features

Wash rating	A
Energy rating	A
Drying rating	A

In-progress floor spotlight
End of operation alarm

All our electrical appliances are perfectly complemented by the John Lewis fitted kitchens range. Please ask our store staff for the John Lewis fitted kitchens and freestanding appliances brochures.

Three-year service guarantee

All John Lewis appliances are covered by our free service guarantee. This provides you with a repair service in the event of breakdown of any mechanical parts of your product, for a period of three years. All guarantees can be extended beyond the free service guarantee; please see individual appliances for prices.

We provide the repair service without charge, up to a cost equal to the original purchase price paid for the product. All repair services are carried out by authorised service technicians.

If we decide your product cannot be repaired, or is uneconomical to repair, we will replace it with the same model. Should that model no longer be available we will provide an alternative of equivalent specification and quality.

All you have to do is call 0844 871 7771 to receive authorisation and arrange for a repair.

For purchases made after 22 June 2008, please contact our extended warranty administrators on 0844 871 7771.

Delivery and prices

On large electrical appliances we offer free delivery within a wide (local) delivery area when you purchase in store. Timed delivery is available from some shops at an additional charge. If home shopping is more convenient, you can buy online at www.johnlewis.com or call 08456 049 049. Please see right for details about our online delivery.

**Terms and Conditions**

For full Terms and Conditions Please visit our website at www.johnlewis.com and click on Customer Service. Your statutory rights are not affected.

Our pricing policy We set the same competitive prices for johnlewis.com (and John Lewis Direct catalogues) as we do for our John Lewis department stores. By shopping direct, you have the benefit of home shopping convenience, quick delivery and guaranteed service. Just occasionally you may find a temporary difference in price when one of our department stores is matching a local competitor. We do not apply our 'Never Knowingly Undersold' pricing slogan to our internet and John Lewis Direct catalogue prices. The nature of such retailing makes straightforward comparisons with conventional shops difficult. We are unable to verify the availability and comparability of the goods and the standards of service and support that are offered by internet and catalogue competitors.

Pricing All prices are correct at time of going to press. Please note that our 'Never Knowingly Undersold' policy means prices in our shops may be subject to variation. Prices include VAT at 17.5% and exclude delivery charges unless otherwise stated. This publication supersedes all previous publications and is valid from April 2008.

Cancellation You are entitled to cancel your order within 8 working days of receiving delivery. If you wish to cancel your order at any point call us on 08456 049 049 between 7am and midnight, 7 days a week, or email us at customerservice@johnlewis.com. If you have already received your order and wish to return it, refer to our returns policy (see online and in our shops for full details).

Our Refund Policy Should you wish to return anything bought from us, we will refund or exchange a product, provided it is in fully resaleable condition. Returns should be made within a reasonable time (usually 28 days) and in original, undamaged packaging.

If the product has not been returned to us in fully resaleable condition, we reserve the right to refuse a refund on the item, or deduct up to 20% of the original selling price from the refund amount. We will refund your original delivery charge when a product is faulty or damaged, but not when a product is simply unwanted. We do not charge for returns except for unwanted purchases of large electrical appliances. Where such products are returned as unwanted, we reserve the right to make a charge of £50 to cover the collection cost. Once the packaging has been opened on certain products, for reasons of hygiene and safety, we are unable to offer a refund. Please see online for our full refund policy covering all items sold by John Lewis Direct.

None of the above conditions affect your statutory rights when goods are faulty, or not as described. For your rights of cancellation under the Consumer Protection Distance Selling Regulations please see online for terms and conditions.

Supply All products shown are subject to availability. We reserve the right to refuse to supply any individual or company.

You must be over 18 years of age to order from this catalogue.
